

SAP EDUCATION

DEPOSITS MANAGEMENT:

The SAP Deposits Management application within the SAP for banking solution portfolio addresses both needs. It's flexible, scalable, and easily integrated with other software. By exploiting the robust functionality SAP Deposits Management offers, you can significantly enhance revenue growth and cut costs today – and continue to do so for years to come. It integrates processing across all account types and for all related debit and credit cards and is able to handle multiple sales channels.

Delivery Type: Class – Room Instructor Led

Locations: Calgary, Edmonton, Vancouver, Ottawa, Montreal & Toronto
